

SOUTH GEORGIA AND THE FALKLANDS

19 Days | Nat Geo Explorer | 148 Guests | Expeditions in: Feb/Mar/Oct | From \$18,430 to \$35,550

If the epic stories of discovery, endurance and polar explorers like Shackleton, or the sheer magnificence of ice-capped peaks don't grab you, the wildlife certainly will: penguins (king, gentoo and macaroni), sea lions, fur seals and enormous elephant seals cozy up to these shores. Only here on South Georgia can you observe one of the world's great wildlife spectacles: literally, 200,000 king penguins on a single beach. This is the expedition for wildlife or photography enthusiasts, or for those who have already been to Antarctica and want more.

DAY 1-2: U.S./Buenos Aires, Argentina

Depart on an overnight flight to Buenos Aires. Settle into the Alvear Art Hotel (or similar) before seeing the city's Beaux-Arts palaces and the famous balcony associated with Eva Perón. (Day 2: L)

DAY 3: Fly to Ushuaia/Embark

Fly to Ushuaia, the southernmost city in the world. Enjoy lunch on a catamaran cruise of the Beagle Channel before embarking. (B,L,D)

DAY 4: At Sea In The South Atlantic

Settle into shipboard life, listening to informal discussions from our naturalist staff to prepare for the wildness in the Falklands. Spend time on deck and on the bridge, scanning for petrels, penguins and albatross. (B,L,D)

DAY 5-6: Falkland Islands

Each Falkland Island is a variation on the theme of topographical beauty with white-sand beaches, vaulting cliffs, windswept moors, and the sunlit yellows and sage greens of waving tussock grass. The Falklands boast thousands of irresistible gentoo, rockhopper and Magellanic penguins, as well as magnificent albatross and fur seals. Walk along beautiful white-sand beaches, meander through tussock grass or sit atop a cliff and ponder the views. (B,L,D)

DAY 7-8: At Sea

During our days at sea, we learn about the fascinating history of Antarctic exploration, as well as the flora, fauna and geology of South Georgia. Our naturalists help identify the seabirds that follow us: wandering albatross, prions and black-browed albatross. (B,L,D)

DAY 9-14: South Georgia Island

Explore the spectacular coastline of South Georgia Island. In keeping with the nature of an expedition, our schedule is flexible with opportunities for walking, hiking, kayaking and Zodiac excursions. Sailing along the coast, we plan to offer activities every day including visits to Grytviken, the final resting place of Shackleton, and Stromness Harbour, where Shackleton, Tom Crean and Frank Worsley finally reached aid at a whaling station. See huge elephant seals, and on a single beach, you will see thousands of king penguins! (B,L,D)

DAY 15-17: At Sea/Falklands

With whales beneath and birds above, head up to the bridge, or spend these days enjoying the ship's spa, fitness center, library, and observation deck. After time at sea, our journey across the South Atlantic Ocean takes us once more to the island archipelago that teems with nature. Our afternoon visit to Port Stanley offers a chance to see the human face of the islands, to meet the hospitable locals, hoist a drink at a local pub, and stroll around this remote colonial town. (B,L,D)

DAY 18-19: Stanley, Falklands/Disembark/Fly to Santiago, Chile/U.S.

After breakfast, disembark in the Falklands' capital city of Stanley, and transfer to the airport at Mount Pleasant for our private charter flight to Santiago to connect with your overnight flight home. (Day 18: B,L)
