The island is home to hundreds of thousands of animals inhabiting the steep slopes and coasts – such as Salisbury Plain or the Gold Harbour beach where fur seals and elephant seals will not be disturbed by your visit. Enjoy unforgettable moments when, for example, you set foot on the Antarctic mainland near to Paradise Bay. Snow-capped summits surround the bay, where icebergs drift and glaciers tower hundreds of metres above. The gigantic glacier cliffs, such as those of Neko Harbor, provide a unique backdrop. Gentoo penguins stretch as far as the eye can see, for example on Cuverville Island. One of the most impressive shipping passages in the world is the Lemaire Channel: mountains up to 1,000 m (3,280 ft) high line the strait of water. The Neumayer Channel and Port Lockroy provide panoramic views of glaciers that are no less breathtaking.
