Health Acknowledgment

Exposure to pathogens (such as the virus that causes COVID-19) is an inherent risk in places where people gather and may result in severe illness or death. Exposure may occur at any point during your voyage, onboard or ashore. Remaining onboard at all times during your voyage will not prevent exposure because pathogens may be brought onboard by others, including passengers who choose to participate in shore excursions or activities ashore in our various ports of calls or private destinations. Our health and safety measures mitigate the risk of exposure but cannot eliminate it entirely. Before booking or sailing on a cruise, all guests should consider their individual risk level for severe illness resulting from pathogen exposure and make an informed travel decision on that basis. We recommend guests with a higher risk of severe illness consult with their doctor prior to booking or sailing with us.

By booking a cruise with us, on behalf of yourself and/or others for whom you are acting (collectively “you” or “your”), you acknowledge that you understand the risks related to exposure to pathogens and their resulting illnesses while cruising with us, including those relating to guests who are at a higher risk of severe illness.

Further, you agree to review and comply with our Guest Health, Safety and Conduct Policy, as well any of our health or safety instructions, or other posted signage. Failure to do so will lead to you being denied boarding or may constitute cause for your removal, as well as the denial of boarding or removal of your traveling party, from the vessel.

Finally, you acknowledge that we will collect and use personal information, including health information, in connection with these measures, and may disclose it to health or port authorities, if required.

For the latest protocols, visit the Healthy Sail Center or royalcaribbean.com/health.

Important Information

- Please take a few minutes to familiarize yourself with the required travel documents you will be asked to provide prior to boarding the ship. It is the guest's responsibility to obtain all valid travel documents for their vacation. Please review the Vital Information page that follows.
- Help protect your vacation payment by purchasing travel protection. You can purchase Royal Caribbean Travel Protection at any time from deposit up through and including final payment; however, the Cancellation Penalty Waiver takes effect only upon payment of the appropriate plan cost amount, which is in addition to any required cruise deposit/payment due. Payment of the cruise fare deposit amount without the additional plan cost due will not enroll you in this plan. To view the terms, conditions and exclusions, please visit <https://www.archinsurancesolutions.com/coverage/royal>.
- Due to new government regulations, Guests must be checked-in and onboard no later than 90 minutes prior to the sailing time or they will not be permitted to sail. To expedite boarding, check-in online at www.RoyalCaribbean.com/onlinecheckin. This is available 24 hours after final payment has been made and up to three (3) days prior to sailing, not including the day of sailing.

Vital Information

Before You Leave: Required Travel Documents and Identification

It is the guest's responsibility to obtain all valid travel documents for their vacation. These valid travel documents such as passports, visas, inoculation certificate and family legal documents are required for boarding and re-entry into the United States and other countries. Guests should check with their travel agent and/or government authority to determine the travel documents needed for each destination, including the port of embarkation.

Documentation and Immigration Requirements

- Guests are highly encouraged to travel with a valid passport, even when not required.
- For your protection, we recommend that your passport expiration date does not occur within six (6) months of the sailing return date.
- Some foreign ports of call require a visa. Please contact the Embassy (Consular Services) of each country on your sailing itinerary or the visa service of your choice for specific visa requirements, information, forms and fees for your nationality. Royal Caribbean suggests the visa provider, CIBT at www.visacentral.com/royalcaribbean or 1.800.858.8579 (identify yourself as a Royal Caribbean guest for discounted rates).
- The spelling of the guest(s) name as booked for a cruise must match exactly as their valid passport or proof of citizenship / identification during ship check-in formalities.
- Certain countries may have specific travel requirements for your itinerary. Please check any one of the websites below to understand what is necessary for your vacation.
- All guests (including children) must present a valid passport when sailing on U.S. Open Loop voyages. These are voyages that commence in a U.S. port, travel within the Western Hemisphere, and end at a different U.S. port. When traveling on these sailings, please take extra caution in understanding the specific documentation requirements.
- All guests (including children) require specific travel documents that may include either a passport or other documentation, such as a government-issued birth certificate and laminated government issued picture ID denoting photo, name and date of birth, when traveling on U.S. Closed Loop voyages. These are voyages that commence and end in the same U.S. port without leaving the western hemisphere. Please note that Baptismal papers, hospital certificates of birth, voter registration cards or Social Security cards are not considered proof of citizenship. Please view the websites below for more information.
- Should the last names of the parent and minor child traveling with them differ, the parent is required to present the child's valid passport and visa (if required) and the child's birth certificate (original, a notarized copy or a certified copy). The name of the parent(s) and the child must be linked through legal documentation.
- Adults who are not the parent or legal guardian of a minor traveling with them must present an original notarized letter signed by the child's parent(s), authorizing the adult to take the child on the specific cruise, supervise the child and allow emergency medical treatment to be administered.
- Guests on consecutive sailings must ensure they have the proper travel documents for their entire cruise vacation and for any port within their itinerary(s).

Please refer to one of the following websites for details on documentation requirements as it relates to your itinerary:

Travel Tips

- When packing for your cruise, we recommend that you pack a small carry-on bag with your medications, travel documents, a change of clothes, and any valuables or electronics that you will be bringing on your cruise.
- When deciding which Credit/Debit card to associate with your SeaPass onboard spending account, please keep in mind that temporary holds or authorizations may be placed. While not actual charges, these holds will reduce available funds. Most are released within 3 – 5 days after your cruise, but some may take up to 30 days. Please contact your card issuer to remove any remaining holds after your cruise, as Royal Caribbean International doesn't control how long they remain. If the form of payment on your onboard account was changed, prior holds will remain on the original card until final charges are submitted at the end of the cruise.
- Royal Caribbean Visa Signature Cardholders: Maximize your cardholder benefits by linking your card to your onboard account, earning you double MyCruise Rewards points during your sailing. These points can then be redeemed for exciting rewards like onboard credit and discounts, stateroom upgrades, or even a free cruise! Learn more about your benefits [here](#).
- Having the right travel documents is one of the most important parts of getting ready for your trip. Please be sure to check your itinerary for the countries you will visit and their travel document requirements for your nationality, these may include passports, visas, inoculation certificates and family legal documents. Obtaining these are your responsibility.
