Norwegian Cruise Line requires payment of a fixed service charge for all guests in all categories booked. The charge is per person, per day and can either be pre-paid with the reservation, or charged to the guests onboard account once onboard. There is no charge for children under the age of three. Our crew is encouraged to work together as a service team and compensated by a combination of salary and incentive programs that the service charge supports. It is our earnest wish that you enjoy your Freestyle Cruise experience and that our entire crew in all areas of the ship will provide you with the standard of service for which Norwegian is known. Therefore, if you have any concerns about the service you receive during your cruise; please bring them to the immediate attention of our reception desk staff on board so that we can address any issues in a timely manner before the cruise is over.

Norwegian has a structured guest satisfaction program on board designed to handle any concerns raised by our guests relating to the service or on board product quickly and efficiently. In almost all cases we are able to come up with a satisfactory solution to any issues which are raised and make sure our guests can focus on enjoying their cruise vacation. In the unlikely event we cannot satisfactorily resolve the issues through our guest satisfaction program; guest will be able to adjust the service charge according to the level of inconvenience they feel they have experienced. Our clear priority is to have the opportunity of resolving the issue, when it happens, to everyone's complete satisfaction.

Domestic Airline Travel ID Requirements for U.S. Citizens:

Beginning May 3, 2023, every air traveler 18 years of age and older will need a REAL ID-compliant driver's license, state-issued enhanced driver's license, or another acceptable form of ID to fly within the United States. REAL IDs are marked by a star on the top of the card. Between now and the effective date of the new regulations, we encourage all travelers to check their IDs and obtain a REAL ID if they don't already have one. To obtain a REAL ID requires documentation beyond what is required for most standard drivers' licenses. Prepare to collect and present several documents to DMV officials that prove residency and identification.

Guests should take this into consideration when planning travels for their cruise.

Electronic Travel Authorization - for Citizens of Visa Waiver Program Countries (VWP) Entering the United States.

Per the Visa Waiver Program (VWP) requirements, all VWP travelers must obtain an electronic travel authorization prior to boarding a travel carrier to enter the United States. This can be done by completing the [online application](#) on the **U.S. Department of Homeland Security's** website. Applications may be submitted at any time prior to travel. However, DHS recommends that applications be submitted no less than 72 hours prior to travel.

Schengen Visas - for Entry to the European Union for Applicable Nationalities.

The Schengen Agreement (effective March 26, 1995) is an agreement between several member states of the European Union (EU) to remove immigration controls for travel within their collective territories. This creates a "borderless" region known as the [Schengen Area](#), which changes the procedures for entering, connecting or traveling between any of the Schengen States. [Click here](#) for more information.

There are four types of Schengen visas; Type C is the one typically needed by passengers, which can be issued by any one of the Schengen states and is valid for all the others. Due to the type of itineraries in Europe, The Schengen Agreement maintains that certain nationalities require a visa to enter the EU zone. Guests who are not US, Canadian, or European nationals are strongly encouraged to contact the nearest EU-member country embassy to determine if a Schengen visa is necessary.

Visas Are Required for All U.S. and Canadian Citizens Traveling to Asia, Australia, and New Zealand.

A specific visa may be required for entry to certain countries. **SOME VISAS MUST BE OBTAINED IN ADVANCE and some CAN BE OBTAINED ONBOARD.**

For All U.S. and Canadian Citizens Traveling to Asia, New Zealand, and Australia: Visas must be obtained in advance of departure if your cruise is visiting any of the destinations listed below:

- India (an Embassy-issued visa sticker or an electronic visa)
- Australia (obtained online)
- New Zealand (obtained online)
- Mainland China (excluding Sanya & Hong Kong)
- Sri Lanka (obtained online)

Contact the embassy of the countries listed above or visit VisaCentral, a full service agency, for assistance with obtaining any visas that are required in advance of your cruise.
