## Itinerary Information

**Effective:** November 17, 2022

Know before you go: TRAVEL requirements for your journey

**All of Viking's sailings are available exclusively for fully vaccinated guests, until further notice.**

- To travel with Viking, all guests must be "fully vaccinated" at least 14 days prior to traveling.
- As an added layer of protection, Viking strongly recommends that, when eligible, guests receive a booster dose prior to traveling.
- **Note:** While Viking does not require a booster for guests, **many countries do require a booster** (for entry and to visit attractions, dining facilities and event venues) and the details will vary.

Viking does not require guests to provide proof of a negative COVID-19 test prior to departure. However, to ensure your journey is smooth and that you are able to fully enjoy your voyage as planned, we highly recommend that all guests take a pre-departure COVID-19 test prior to beginning your travels. Please note, some countries may have their own testing requirements to enter or to board a cruise ship.

**Country-specific travel requirements vary by country.** Should the first country along your itinerary have travel requirements, they will be outlined below:

[https://docs.vikingcruises.com/pdf/14-PreCruiseRequirement-All-US\\_CAN\\_UK\\_AU\\_NZ.pdf](https://docs.vikingcruises.com/pdf/14-PreCruiseRequirement-All-US_CAN_UK_AU_NZ.pdf)

As your embarkation date approaches, ensure you are prepared for any pre-flight procedures and local regulations. While travel has simplified, requirements may continue to change before your departure. We recommend you revisit the information at least 7 days prior to your departure.

**Embarkation Time:** 3:00 PM
