### Notifications

#### GENERAL INFORMATION

- Smoking is not permitted in most areas of the ship, including all staterooms and balconies.
- Guests who require the use of their own wheelchair or scooter onboard must contact their travel consultant or Princess for port, cabin and ship details.
- It is the guest's responsibility to check with their travel advisor, the government authorities for the countries visited, and/or medical professionals to determine/verify visa and vaccination requirements and/or recommendations at sailing. Princess assumes no liability for a guest's failure to do so. Failure to present required travel documents, visas, and/or vaccination certificates at cruise check-in will result in denial of boarding without refund of the cruise or cruisetour fare. Visas issued onboard may include a service fee and prices are subject to change. See the Cruise Personalizer and Travel Summary for additional details. Visit the Cruise Answer Place at: [www.princess.com/faq/](http://www.princess.com/faq/).

#### TRAVEL DOCUMENT, VISA AND VACCINATION DISCLAIMER

This information is provided as general guidance. Because governmental and medical vaccination requirements and recommendations change periodically you must check with your travel advisor, government authorities for the countries you will visit and/or medical professionals to determine or verify the actual requirements and recommendations at the time of sailing. Princess assumes no liability for the passenger's failure to do so.

Failure to present required travel documents, visas or vaccination certificates at cruise check-in will result in denial of boarding without refund of the cruise or cruisetour fare.

#### WHTI-COMPLIANT DOCUMENT REQUIREMENTS

The U.S. Department of Homeland Security enforces secure document requirements. Only passports or Western Hemisphere Travel Initiative (WHTI)-compliant documents are accepted to embark your cruise. U.S. and Canadian passport holders must present one of the following valid documents: Passport Book (RECOMMENDED); U.S. Passport Card; U.S. or Canadian issued Enhanced Driver's License (EDL); U.S. or Canadian issued Enhanced "Non-Driver" Identification Card; NEXUS (for travel to Canada), SENTRI (for travel to Mexico) or FAST Card.

For information regarding WHTI compliant documents, visit <https://www.cbp.gov/travel/us-citizens/western-hemisphere-travel-initiative>. U.S. citizens ages 16 and above may present a Certified Birth Certificate together with valid photo identification. U.S. and Canadian citizens ages 15 and younger may sail with a Birth Certificate. U.S. Permanent Residents must present a valid Permanent Resident Card. Canadian Permanent Residents must present a valid passport and Permanent Resident Card.

#### UNITED STATES VISA REQUIREMENT

A United States visa is required for certain nationalities. If you are an eligible passport holder from a Visa Waiver Program (VWP) country, you will be able to enter/exit the U.S. without a visa provided you are in possession of a biometric passport AND pre-register online for the VWP through the Electronic System for Travel Authorization (ESTA).

ESTA applications may be made online at: <https://esta.cbp.dhs.gov/esta/> and, if required, must be completed at least 72

hours before you board your cruise. We recommend you bring a printout of your approved application to cruise check-in to speed immigration processing. Please note that if you have traveled to Cuba since January 2021, you will require a full visa and will not qualify for an ESTA.

### **AIR FLIGHT GUIDELINES**

If you have purchased independent air arrangements, please ensure your air schedule falls within these guidelines as Princess is not responsible for making any alternate arrangements or for any out of pocket expenses that may arise should you miss your cruise or cruisetour and/or return flight. The times listed below are subject to change.

Embarkation: Los Angeles - Latest international flight arrival: 3 hours, 30 minutes prior to the ship's departure. Latest domestic flight arrival: 2 hours, 30 minutes prior to the ship's departure.

Disembarkation: Los Angeles - Earliest flight departure: 12:30 PM

### **INTERNATIONAL AIR TO/FROM THE U.S.**

If your cruise requires international air travel to or from the U.S., a valid passport will be required to board your flight, regardless of age or citizenship. In the event of an emergency, should you need to disembark unexpectedly, you will not be permitted to fly to or from the U.S. without a valid passport. Therefore, we strongly recommend that all guests are in the possession of a valid passport. Please note that a passport card is not valid for international air travel.

### **CHECK-IN REQUIREMENTS FOR DEPARTURES FROM U.S. PORTS**

You are required to provide complete and accurate immigration information no later than 24 hours before embarkation. You can do this and select your preferred arrival time using the MedallionClass app. For more information, please visit <https://princess.com/oceanready>. Guests with incomplete immigration information who have not completed cruise check-in 90 minutes prior to scheduled departure will be denied boarding.

### **ONBOARD SMOKING POLICY**

Princess Cruises is committed to providing our guests with a relaxed, rejuvenating retreat at sea. In keeping with this goal, we have increased the scope of non-smoking areas onboard all Princess vessels. Smoking is not permitted in most areas of the ship, including all staterooms and balconies. Violations to this non-smoking policy will result in a \$250 fine for each occurrence, which will be charged to the guest's stateroom account. For guests who wish to smoke, a cigar/smoking lounge\* and a limited number of designated smoking areas will be reserved for this purpose. As a safety precaution, guests are reminded to properly dispose of cigarettes, cigars, and pipe tobacco, which are never to be thrown overboard as these may be sucked back into the ship and cause fires. For additional information, please visit the Cruise Answer Place at: [http://www.princess.com/learn/faq\\_answer/onboard/experience.jsp](http://www.princess.com/learn/faq_answer/onboard/experience.jsp) and click on the "Smoking Policy" link.

\*Cigar lounges are available on select vessels.

### **CREW APPRECIATION PAYMENT INFORMATION**

To simplify the tipping process for our guests, a discretionary crew appreciation payment of USD 16.50 per guest for suites, USD 15.50 per guest for mini-suites, and USD 14.50 per guest for interior, oceanview, and balcony staterooms, per day (including children) will be automatically added to your shipboard account. This crew appreciation payment will be shared amongst those staff that help provide and support your cruise experience, including those in the Bar, Dining, Entertainment, Housekeeping, Guest Services, Galley and Onboard Revenue areas. For your convenience, crew appreciation can be pre-paid before you sail by calling us or logging in to your Cruise Personalizer online at <http://www.princess.com/cruisepersonalizer>. Pre-paid crew appreciation may be added up to two days prior to your embarkation.

You have complete discretion to adjust crew appreciation payment while onboard, but crew appreciation may only be adjusted prior to disembarking the ship. If included as part of a promotion or package, it cannot be adjusted or refunded.

### **WHEELCHAIR NOTIFICATION**

If you require the use of a wheelchair onboard or ashore, you must bring your own. Without exception, ship wheelchairs are reserved for emergency use ONLY and are not available for use during the cruise. For safety reasons, we are required to keep alleyways clear from obstructions. All mobility devices (including scooters) MUST be stowed in your stateroom when not in use. For your guidance, standard stateroom door clearance is 22". Some ports require the ship to anchor off shore. If so, guests are taken ashore by small boats or tenders. For the safety of all involved; guests and mobility devices will not be transferred in/out of the tender if physical lifting of 50 pounds or more is required. Gangway position, shore-side facilities, movement of the tender, weather and tidal conditions may preclude tendering. The decision to allow guests to disembark or board a tender will be made by the Officer in Charge on the basis of the safety and welfare of all involved and is FINAL. If guests are unable to tender or disembark because of circumstances outlined above there will be no refund or credit for missed ports.
