Health Acknowledgment

Exposure to pathogens (such as the virus that causes COVID-19) is an inherent risk in places where people gather and may result in severe illness or death. Exposure may occur at any point during your voyage, onboard or ashore. Remaining onboard at all times during your voyage will not prevent exposure because pathogens may be brought onboard by others, including passengers who choose to participate in shore excursions or activities ashore in our various ports of calls or private destinations. Our [health and safety measures](#) mitigate the risk of exposure but cannot eliminate it entirely. Before booking or sailing on a cruise, all guests should consider their individual risk level for severe illness resulting from pathogen exposure and make an informed travel decision on that basis. We recommend guests with a higher risk of severe illness consult with their doctor prior to booking or sailing with us.

By booking a cruise with us, on behalf of yourself and/or others for whom you are acting (collectively "you" or "your"), you acknowledge that you understand the risks related to exposure to pathogens and their resulting illnesses while cruising with us, including those relating to guests who are at a higher risk of severe illness.

Further, you agree to review and comply with our [Guest Health, Safety and Conduct Policy](#), as well any of our health or safety instructions, or other posted signage. Failure to do so will lead to you being denied boarding or may constitute cause for your removal, as well as the denial of boarding or removal of your traveling party, from the vessel.

Finally, you acknowledge that we will collect and use personal information, including health information, in connection with these measures, and may disclose it to health or port authorities, if required.

Spending Onboard

- When deciding which credit/debit card to associate with your SeaPass onboard spending account, keep in mind that temporary holds or authorizations may be placed on it. While not actual charges, holds will reduce available funds. Most are released within 3 - 5 days after your cruise, but some may take up to 30 days. Contact your card issuer to remove any holds after your cruise. If the form of payment on your onboard account was changed, prior holds will remain on the original card until final charges are submitted at the end of the cruise.
- Royal Caribbean Group Visa Signature Cardholders can link their card to SeaPass account to earn double rewards points during the sailing. Learn more [here](#).
